

Medicare Annual Enrollment Period

Medicare Annual Enrollment Period begins October 15th, 2013 and ends on December 7th, 2013.

During this period you will have the chance to compare **Medicare Advantage Plans** and their benefits, giving you the option to select the plan that will best serve you in 2014.

We are available to speak and help you through this important decision in order to make sure you're selecting a plan that will allow you to continue seeing your Doctor. Before making any decisions we urge you to contact our staff or call our **MEDICARE HELPLINE** at (954) 604-3128.

If you have any questions, concerns, or if you need assistance getting the information you need to make the right choice for you, please contact any of our practice locations, doctors, or staff and we will be available to help you.
