Dear Patient,

The medical community is going through many changes. In order to insure my patients continue to enjoy top quality care I have decided to relocate. The office is conveniently located on University Drive just 2.5 miles north of my current location. This is one mile north of Stirling Road in the Atrium Centre.

The new location features:

- a spacious 4000 sq ft office
- easy first floor drive up access
- large parking area
- full diagnostic services
- on location pharmacy
- friendly staff

I will continue to have your medical records. All of your future appointments starting January 13, 2014 will be at our new location below. Should you have any questions or concerns please do not hesitate to call us at our new location at (954) 434-1705 or email ~~us~~ me at drteltser@associatesmd.com.

I invite you to visit the new location. Be sure to ask for our office manager Stephanie who will introduce you to the new office and staff.

The care of my patients has always been and will always be my first priority. I look forward to our continued relationship.

Happy Holidays!

Sincerely,

Matthew Teltser, MD
